Dear Exhibitor:

Our website at www.AllSportsSchool.com describes the **NORCAL ALL SPORTS CLINIC** that will be held at the San Francisco Airport Hyatt Regency Hotel on January 28, 29, 30, 31, 2010 .

College, high school, junior high, community, and athletic club coaches from all over the west coast will be attending. Athletic Directors from these areas will also be in attendance. The program includes clinics in:

Baseball	Football	Softball
Basketball	Strength & Fitness	Cheerleading
Volleyball	Track & Field	Soccer

These clinics will be presented by the well-known local and national sports figures that are currently listed on our website.

If you are interested in being an exhibitor check the fee schedule that is on our web site and then complete the contract and send it to me as soon as possible

We anticipate a large number of exhibitors for the 2010 clinic and the space is limited. We will accept exhibitor reservations on a first come, first serve basis. Since we had a wait list for exhibitors last year, I encourage you to return your application with your check now. Also, please identify from the exhibit hall map your top three choices as to where you would like to be located.

One additional benefit for those who reserve three (3) or more booths and get your reservation in early is that we will include your website link on our website as a sponsor. If you provide us with a website link, it will allow coaches to contact you directly via the internet. Those exhibitors who reserve four (4) or more booths will get the following:

1. Will be listed as a sponsor in our advertisements.
2. Will have your website link included in the All Sports Clinic website.

If you have any questions, please call me at either of the above numbers.

Sincerely,

Rich Gustafson
Exhibit Coordinator
